Professional Summary

Data Analyst with experience in SQL, Power BI, and Excel, focused on building dashboards, automating reporting, and delivering data-driven insights.

Technical Skills

SQL, MySQL | Excel, Google Sheets | Power BI, DAX | Python, Pandas | Data Analysis, Visualization | MIS Reporting, Automation

Professional Experience

Operations Customer Expert | Teleperformance Global Services, Mumbai

July 2022 – Present

- Reduced dependency on Excel-based reporting by implementing automated, web-based reporting solutions
- Built data capture and reporting workflows using Spring Boot to generate structured reports dynamically
- Automated end-to-end reporting processes, improving data accuracy and reducing manual effort
- Designed and maintained MIS reports to track key operational and business metrics
- Used SQL (MySQL) for data extraction, filtering, and report generation.

Projects

Sales Performance MIS Report (SQL, SQL Server, Excel)

- Developed complex SQL queries using JOINS, CTEs, GROUP BY, and window functions
- Generated monthly and region-wise sales performance reports
- Used RANK(), ROW_NUMBER(), and running totals for trend analysis
- Identified top customers, revenue trends, and growth patterns

Sales & Profit Dashboard (Power BI)

- Built interactive dashboard with KPIs such as Revenue, Profit, and Profit Margin
- Performed data modeling and created DAX measures for business insights
- Designed drill-through, slicers, and filters for detailed analysis
- Identified low-margin regions and high-performing categories

MIS Reporting Automation (Google Sheets Automation)

- Automated consolidation of multiple raw files into a single MIS report
- Built reusable workflows using formulas and data validation
- Reduced manual reporting effort from 2 hours to under 5 minutes (~95% improvement)
- Designed scalable templates for recurring reporting

Education

M.Sc. In Computer Science

SIES College of Arts, Science & Commerce, University of Mumbai | 2025

B.Sc. in Computer Science

Nagindas Khandwala College, University of Mumbai | 2020
